SAVE CANCEL

Manage your current jobs, add new jobs, or delete jobs from this manager.

How to View Job Details

1. Select a job by checking its checkbox. The toolbar is activated.
 2. Click **Edit** (pencil) to open the Details panel.
 3. Click **Cancel** to close, or, if you've edited the job, click **Save**.
-

How to View the Calendar

1. Click the **Jobs Calendar** tab in the top menu to view your job schedule on a monthly, weekly, daily or agenda-based layout using the secondary toolbar.
2. Click **Add** (plus sign) to add a new job. Enter/select the details for the new job, using the **Add Job** panel, which is identical to the **Edit Job** panel.
3. Click **Delete** (trashcan) to remove a job.
